

AGRI-GUARD®

Agricultural Lubricant Range

AGRI-GUARD® - The complete solution for agricultural lubrication

With today's modern agriculture and horticulture applications, lubricants have to work harder than ever before to ensure optimum performance and reliability. We have specially engineered a series of bespoke products to cover the agricultural and horticultural markets. They are OEM specific and approved products, meaning that they can be used throughout the whole life of your vehicles, including during the warranty period.

This sophisticated range of products cater for every possible need, including engine oils, transmission fluids, horticultural lubricants, and a wide range of ancillary products.
