

# HORTICULTURAL

## Lubricant Range

With today's modern horticultural applications, lubricants have to work harder than ever before to ensure optimum performance and reliability. Rock Oil have specially engineered a series of bespoke products to cover the horticultural market. Where applicable each product is OEM specific and approved, meaning that they can be used throughout the whole life of vehicles and machinery, including during the warranty period.

### GROUNDSMAN SAE 30

PN. 02190

Groundsman SAE-30 engine oil is produced specifically for horizontal 4 stroke engines, including lawn mowers, generators and stationary engines that require a monograde oil - suitable for use in petrol, diesel and turbo diesel engines.

API SJ (incl. SH, SG, SF, SE, SD, SC, CF-4, CF, CE, CD, CC)

### GROUNDSMAN 4 STROKE

PN. 02101

Groundsman 4 stroke engine oil is produced specifically for all horticultural 4 stroke petrol engines including lawn mowers, generators and stationary engines.

API SJ (incl. SH, SG, SF, SE, SD, SC, CF-4, CF, CE, CD, CC)

### GROUNDSMAN 2 STROKE

PN. 07122

Groundsman 2 stroke engine oil is a premium quality semi-synthetic lubricant suitable for use as a pre-mix or in oil injection systems and can be used with a wide range of fuels including LRP, leaded or unleaded petrol.

API TC • JASO FD • ISO-L-EGD

### GROUNDSMAN ONE SHOT

PN. 07125

Designed for oil injection systems but is equally suitable for premix applications.

Meets global two stroke specifications ensuring a high standard of lubrication providing your machinery with excellent protection at all times.

API TC • JASO FA, FB, FC, FD • ISO L-EGB, L-EGC, L-EGD

### GROUNDSMAN CHAINSAW

PN. 10070

Groundsman Chainsaw's unique formula both resists flinging and provides superb lubrication to bar and chain, while the latest extreme pressure additives deal with the wear normally associated with commercial chainsaw use.

Non-Fling Chainsaw Oil • Viscosity Grade ISO VG 150

### GROUNDSMAN BIO-CHAIN

PN. 26110

Groundsman Bio-Chain is a readily biodegradable, renewable vegetable based chainsaw oil that is non-toxic to animals, plant & aquatic life, fungus, and bacteria often found in woodland areas.

Non-Fling Chainsaw Oil • Viscosity Grade ISO VG 68 • SAE 40
